# Active Adults 50 Plus October Brochure

The Active Adults 50 Plus  
volunteers at work!

Our mission is to  
build a community where people  
can come as they are, meet Christ,  
grow in their faith,  
and find a place to serve.

*For God has not given us  
a spirit of fear and timidity,  
but of power, love, and  
self-discipline.  
So you must never be  
ashamed to tell others about our Lord.*

If you are on Facebook (and I vacillate on whether that is a healthy thing or not...but I digress!), you are familiar with the automatic posts 'Your Memories on Facebook'. This morning, mine was a quote from Howard Hendricks that I posted 10 years ago:

"The Bible wasn't written to satisfy your curiosity, but to make you conform to Christ's image. Not to make you a smarter sinner, but to make you like the Savior. Not to fill your head with a collection of biblical facts, but to transform your life."

So, I remind you, as I remind myself: Every day is a good day to check if I am reading the Word, if I am asking God for transformation not just information, and if I am open to the transforming work of the Holy Spirit in my life?

More than one of the groups I am in begins with these questions, "Does anyone have a God-sighting to share? Where are you seeing God at work?" Seems to me, we should all have an answer to share when asked those questions.

My answer today is a double one. I have seen God's perfect timing work out in two situations. Being patient in waiting is a challenge but God has reminded me again that He is faithful.

Do you have an answer for us today? I would love to hear them!

"Your principles have been the music of my life throughout the years of my pilgrimage." ~Ps. 119:54
