

YOUR SPIRITUAL GROWTH PLAN

Growing people change. No matter where you are in life, you will always have a next step to grow in your relationship with Jesus.

1) TELL SOMEONE

Becoming a Christian is exciting news! Share that good news with others. You do not have to be a pastor or missionary to tell others about Jesus. The best way to do this is just tell your story of how God has worked in your life. Watch our 3 Circles video to learn an easy method to sharing your faith here: vimeo.com/230951768

2) GET BAPTIZED

Baptism is an outward sign of an inward grace. Baptism publically celebrates receiving a new identity in Christ and is a powerful symbol of what Jesus did for us. It signifies publicly that you are now a part of the Body of Christ (the family of God).

3) REGULARLY PARTICIPATE IN PUBLIC WORSHIP

Weekly commitment to public worship is a crucial part in being the Body of Christ (a Biblical term for the church family). We grow together spiritually and share the same vision when we worship together. We use our spiritual gifts to minister to one another and to reach those not yet reached for Christ.

4) BEGIN GENEROUS GIVING

God has generously given to us all that we have. With that, He makes us overseers of His resources. Systematic, proportional giving (starts with tithing) acknowledges His Lordship of our life and expresses our gratitude for all that He has given to us. Thus, we give to the Lord (thru the church); not to a budget, a pastor, or for particular needs.

5) JOIN A LIFE GROUP

Connect to a "life group." Whether sharing and learning, or helping one another through the storms of life, our life group members get strength out of their Crosspoint relationships by "doing life together." This is exactly what Jesus did with his 12 disciples.

6) SERVE

You become like Christ as you serve others. God has uniquely gifted, called, and equipped you to serve others in impactful ways. The church is not just a place where you come and sit; the church is a place where we live out our faith in action by serving Jesus.

7) INVITE OTHERS TO JOIN YOU

One of the best and easiest ways to tell people about your new faith is to invite them to your worship service and other ministries of our church.

8) READ THE BIBLE

As a new Christian, one of the most important things you can do is to read and study the Bible. Spend time each day reading God's Word. If you do not have a Bible, we can get you one.

9) PRAY

Daily prayer is simply talking to God. You do not have to use big words. Just talk to God as you would talk to any friend.

10) FIND A MENTOR

Ask a more mature believer if they would be willing to disciple you in the basics of the Christian life. Ask them to guide you in your spiritual life and to hold you accountable!

11) BE A MENTOR

Prayerfully ask God to bring you a new believer who is hungry to learn the basics about the Christian life.

12) BECOME A MULTIPLIER

Teach others how to do what you are doing that they may repeat the process.
