

Crosspoint Mission Conference Discussion And Follow Up Guide:

Questions From The Restoration Farms Story:

- * How did the Liverman's story demonstrate God's divine timing?
- * What factors caused the Livermans to be ready to be used by God, when the time came?
- * Have you ever been in a situation where God used your specific gifts and personality at just the right time, in just the right context? Tell us about it!

Want to meet the Livermans?

The Livermans will be in town on Sunday, September 11 and Crosspoint is hosting two free lunch events. Come to the theater, upstairs in the Community Life Center, Niceville campus at 11:00 or at Noon and meet this great couple!

Questions From The Orellana Story:

- * What are some common characteristics you noticed in the many different types of ministry the Lord has placed the Orellanas in?
- * Was there any one type of ministry they talked about that was particularly interesting to you? What made it stand out?
- * As their circumstances changed, the Orellanas stayed flexible and open to the Lord's work. Has there been a time in your life when the Lord brought a new work to you, and you had to adapt? Tell us about it!
