

DAY 4: PROVISION

Our early church fathers fasted; it was routine. John Wesley, father of Methodism, urged the early Methodists to fast all day on Wednesdays and Fridays. He felt so strongly about this that he refused to ordain anyone to the ministry who did not fast on those days! Join us as we repent for not fasting. Not praying. Not making space to connect with God in a deep way.

Writing your thoughts and prayers create more focus and push it deeply into your heart.

PAUSE: Ask God to call you to a posture of prayer. Do whatever he says. (Palms up, on your knees, prone on the ground, standing.) Practice your breath prayer for a couple minutes in this position.

REJOICE: Record and rejoice in 10 aspects of God's forgiveness and grace over you. For what has he already forgiven you? If a sin comes to mind, confess then rejoice.

ASK: Provision – As the economy struggles, pray for God's faithful provision for Crosspoint and for the people of Crosspoint. Pray for faith to trust that God always provides. Ask for three personal provisions you want God to accomplish for you. Be bold. Ask great things of God.

YIELD: Review again any sins you need to confess. How might God want to provide through you? What is God asking you to do next? Even today.

Read and pray through Psalm 111, Jeremiah 29:11-14; John 15. Record highlights.
