CROWD CLOUD EXERCISE

PEOPLE AROUND YOU

Think about the people who you see regularly in the different areas of your life. In each green box, write the number of people in that area of your life.

In each blue box, write the number of good relationships you have within that group. A good relationship is one with someone who knows you, likes you, and would help you if you asked.

In the blanks, write the names of the people in that area who you think may be the most beneficial to invest in during the upcoming season.
