

DAY 8: VISION 2035

The early church fasted and prayed (Acts 13:1-3). They embraced this holy discipline as part of their routine and the results were stunning. It was an impetus behind their success in evangelizing the world and accomplishing the vision God gave those early disciples.

God has given Crosspoint the vision to accomplish by the year 2035:

- ☐ 2000 unique roles named and lived out
- ☐ 3000 first-time conversions to Christ
- ☐ 500 communities of faith equipped to start their disciple-making movement

The impetus behind our reaching this vision, these goals, will be lives of prayer and fasting. Thank you for embracing this fasting journey. God has our attention! Keep on!

P.R.A.Y.

Pause: Use the breath prayer: “Spirit, lead me to pray without borders.” Center yourself, cool your motors, and leave the concerns of the world behind.

Rejoice: How has God blessed and used Crosspoint in its history?

Praise God for that! And how has He used you so far?

Praise God for that!

Ask: Ask God to help 2000 of us discover and live out our unique roles in God’s mission. What specific people will you pray for?

Ask God for 3000 lost and hopeless people in our circle to find Christ. How are you willing to allow Him to use you in this discovery?

Create your five most wanted list with whom can you share your faith. Write their names.

Ask God for 500 communities of faith to embrace the disciple-making movement. Ask Him to bring us and help us establish new campuses and new partners. Pray for God to raise up pastors, worship leaders, kids and student ministers, academy directors and teachers, and supportive staff for our new campuses as we launch them.

Pray for the churches we will help start, for the churches and pastors we will impact. Pray for open doors to mentor and encourage others.

Pray for the pastors in the Congo we are mentoring and training. Pray for the church buildings we will construct this year. Pray for God to knock down the obstacles that block the work He has called us to. Write out your prayers here:

Yield: Are you willing to be part of accomplishing God's vision for Crosspoint, the 2035 Dream? Will you support in continued prayer? Will you lend your passion and talents? Will you support financially? Are you willing to do whatever God might call you to do? _____

Do you find this to be a challenging question? Why?
