

General Information

Crosspoint is a vibrant and growing multi-campus Global Methodist Church in the panhandle of Florida. We care deeply about making disciples and our mission is "People connecting people to Christ, and their unique role in God's mission." Interning at Crosspoint is a way to get hands-on experience, training, and mentorship in the areas of worship arts, student ministry, or missions. You can learn more about us at crosspoint.church or by checking our social media.

When do I start?

Internships start on May 28 and end on August 4, but our ministry areas are able to work with you on your start and end dates and your weekly schedule according to your needs.

How do I apply?

Fill out the application on the following pages and drop it in the the drop box on the registration page, or email it to us at tfuller@crosspoint.church. Also have your pastor fill out the recommendation form at the end of this document and email it to us at tfuller@crosspoint.church.

Cost of Living

Living on the sunny Emerald Coast can be as expensive or as inexpensive as you want it to be. With the clear blue water and snow white sandy beaches just minutes away, entertainment is not hard to find here in Northwest Florida. However, entertainment does not always come free, even if the beaches are. We would suggest a budget of at least \$150 per week, seeing as your living accommodations are covered. All you need to worry about is food, gas, and spending money for entertainment. A small salary will be provided to offset the cost of living.

Can I work?

Yes! The internship will give applicants enough extra time during the week for another part time position. If this is desired, please check the box on the personal details section of the application stating that you would like an additional part time position; we will do our best to help you in this process.
