# 2024

**Jeremy Smith**  
*Lead Pastor*

Even more in 2024! Our God is a God of “more” who uses everyday people like us to move His mission forward and change lives for eternity. Below are a few numbers that represent even more stories, moves of God, disciples made and equipped, and lives changed all because of the faithfulness of our God and the people of Crosspoint. The best part about these numbers is they are just the beginning. This all happened in our first full year of implementing our new mission and the 2035 Dream. I can’t wait to see what God is going to do next!
