***Call To Worship: Responsive Reading**

Leader: In this season of waiting and wonder, we come to remember the promise of our God.

People: We wait in hope for the Lord, whose faithful love endures forever.

Leader: Today we light the candle of Hope, trusting that Christ's light shines in every darkness.

People: Our hope is in Jesus—Promised One, Prince of Peace, Light of the World.

Leader: Come, let us draw near with expectant hearts.

People: We worship with hope, we watch with hope, and we live in hope, for Christ is coming again.
