## Spring is **HEATING UP**

### TIME TO CELEBRATE EASTER!

Easter is coming soon, and we're praying many families will join us as we celebrate the resurrection of Jesus. To make room for guests and visiting families, Crosspoint will also offer a **Saturday service at 4:00 p.m.** with the same worship, kids ministry, and message as Sunday morning.

If Crosspoint is your church home, would you consider **attending Saturday, serving with your family, or praying** for God to change lives that weekend? If you'd like to serve with Crosspoint Kids or Guest Services, you can sign up here. [To serve with Crosspoint Kids or Guest Services, you can sign up here.](#)

### Make VBS the Best Week of Summer!

Vacation Bible School is coming **June 8–11**, and we'd love for you to be part of an unforgettable week at Rainforest Falls as kids entering K–4th grade discover the wonders of God. VBS is a powerful chance to pour into the next generation while building friendships and community.

Our biggest need is **Group Leaders**, but there are many ways to serve—from recreation and crafts to prayer, missions, hosting, decorating, or even helping for just a day or two. We provide training and childcare for younger kids while you serve. Join us and help make it the best week of the summer! Sign up here. [Sign up to serve here.](#)

### Resource Cart Highlight

You may have noticed the white wire cart near the kids building. That's our **Kids & Academy resource center**, created to support you as you disciple your kids at home.

You'll find Brite materials that match what your kids are learning on Sundays, free books, community events, Scripture memory cards, and conversation starters to help bring faith into everyday moments. Take a look whenever you walk by—we're adding new resources all the time.

### Wednesday Night Dinners and Life Groups

One of the gifts of the Christian life is that we don't walk it alone. God designed the church so families can support and encourage one another.

When we stay isolated, small struggles can start to feel overwhelming. But in community we realize we're not alone, other parents are navigating the same things, and it's okay to not have everything figured out.

Wednesday nights are a simple way to step into that. Come for dinner together, then connect in a Life Group while your kids enjoy a unique night with us in the Kids building! Your **first dinner is free**, and after that it's affordable and easy—no cooking or dishes, just time with your church family and Jesus! [Check out our available life groups here.](#)

### Special Parentour on March 29

Have you ever wondered what happens after you drop your child off on Sunday morning? We're inviting parents to a special **Parentour** of Crosspoint Kids so you can see it for yourself.

You'll get a quick walk through our spaces, sit in your child's classroom or theater during the service, and see how we teach and reinforce the Bible each week. We'll wrap up with a short Q&A and light refreshments before normal pick-up. [Register here](#) (it'll take you to a "voluntour" link, and don't worry, you're at the right spot, just find Parentour on the registration options) and check in at the Kids Lobby on the 29th. Tours will begin shortly after each service.
