NEXT GEN ROADMAP

At every stage of life, kids and students are asking important questions about who they are, where they belong, and what they believe. Our Roadmap is designed to help you understand those questions and provide biblical truths that guide them toward a lasting faith. It also helps you see milestones offered within our ministry programming at each stage and available resources specifically designed for kids, students, and their families.

BIG IDEA

This is the foundational biblical truth we want to teach and reinforce at this stage of our kids' or students' spiritual journey. The Big Idea is meant to help intimately shape their faith, identity, and relationship with God.

KEY QUESTIONS

The questions your kid or student is naturally asking during each stage of life that we want to help them answer with Biblical truth.

At Crosspoint, we believe parents are the primary disciple-makers in their kids' and students' lives. Our role is to support you by providing practical tools, encouragement, and biblical resources to help you lead your family in following Jesus and building a legacy of faith that lasts for generations.
