

TOGETHER in the WORD

A BIBLE READING PLAN FOR FAMILIES

KINDERGARTEN–5TH GRADE

**People connecting
people to Christ and
their unique role in
God's mission.**

INTRODUCTION

This 48-week Bible reading plan is designed to bring the whole family together around God's Word in a simple and meaningful way. Each week offers two manageable readings that invite conversation, reflection, and growth based on your child's reading level. Whether you gather around the table, on the couch, or on the go, this plan helps create a steady rhythm of seeking God together. At Crosspoint Kids, we recommend using the NIV translation as you read together. If you're interested in the Bible we use in our venues, it can be purchased using the QR code below. However, the most important thing is to use a Bible your child is comfortable reading.

As you journey through this guide, our prayer is that your family will also grow in understanding what it means to be a disciple of Jesus. At Crosspoint, we talk about four important roles every disciple is called to embody: **Faithful Follower, Helpful Neighbor, Deployed Disciple, and Kingdom Builder**. These roles help us understand what it looks like to follow Jesus in everyday life. We want our kids to know that being a Christian is about more than attending church. It is about learning to walk closely with Jesus, serving others with love, using what God has given them for His purposes, and sharing the hope they have found in Him. To help reinforce these truths, we've included a simple disciple's prayer that families can pray together each day as they read. Our hope is that through the work of the Holy Spirit, these prayers will help children not only learn about these four roles but begin to live them out. As you read, pray, and talk together, look for opportunities to connect what you're learning to these four roles and encourage one another to live them out.

Every four weeks, we encourage you to pause for a special celebration marker. This is a moment to look back, remember what you've learned, thank God for how He has been at work in your family, and celebrate His goodness. These checkpoints are meant to be joyful, not formal. They are simply opportunities to share stories, talk about favorite passages, and maybe even enjoy a special treat or family tradition that makes the moment memorable.

Our hope is that over these 48 weeks, your family won't just read the Bible but experience it. As you spend time in God's Word together, we pray you will grow closer to Him, closer to one another, and more confident in living as disciples who follow Jesus every day.

Have fun!!
