

Hey Crosspoint Families,

October came fast, didn't it? School rhythms are established, soccer and football are in full swing, Friday night football is back, and the evenings are finally getting a little cooler, even if they're still plenty humid!

We've also loved the spiritual rhythm we're building together as a church family through **Together in the Word**. As we read Scripture together, our hope is that these rhythms don't just happen at church, but make their way into your homes too.

Remember, if you miss a few days in the reading guide, **don't give up!** We'll be on this journey together for nearly a year. Just pick it back up and keep going. We've been encouraging your kids on Sundays and Wednesdays to read with you too, so don't be surprised if they help keep you accountable and bring home check-box cards!

Here's even more coming your way from Crosspoint and Crosspoint Kids, with opportunities to grow closer to Jesus and disciple your kids along the way:

Family Build Day: Lego & Pokémon TCG • Sunday, October 4 | 3:30-5:30 P.M.

Join us for our first Family Build! Families will enjoy LEGO free play, a special build activity with LEGO Master John Williams, and Pokémon card trading and a gameplay tutorial with Mr. Tyler. LEGO build kits will be given to the first 20 families who register. This is a chance for parents and kids to play together, learn something new, and meet other Crosspoint families who enjoy the same things. *This is a family event, not a drop-off event, so parents*

should plan to stay and participate with their kids. We can't wait to build together! [Sign up Here!](#)

New Worship & Prayer Opportunities

Second Thursday Worship

On the second Thursday of each month at 6:00 P.M., we're offering a new worship gathering in the Crosspoint Theater upstairs in the Community Life Center. This will be a quieter, more interactive opportunity to practice spiritual disciplines, worship, reflect, and connect with Jesus alongside other believers.

Third Wednesday Prayer

On the third Wednesday of each month at 6:00 P.M., we're also establishing a regular rhythm of corporate prayer in the Sanctuary. We believe there is something powerful about being a church that consistently **reads God's Word and prays together.**

Make an evening of it! Come for church dinner beginning at 4:45 P.M., check your kids into their Wednesday night programming, and then join us in the Sanctuary to pray.

These are simple opportunities, but they're part of something bigger: **building rhythms that help our families follow Jesus together.**

Candypalooza • Sunday, October 25 | 9:00 & 11:00 A.M. in Kids

Candy & Costumes for the Kingdom! **Candypalooza** is one of our most fun Sundays of the year! It's also a great opportunity to invite friends and neighbors from all over our community to experience Crosspoint Kids. We'll have tons of fun activities, extreme energy, costumes, and of course, **plenty of candy**, all mixed in with our amazing worship services at **9:00 and 11:00 A.M.**

We'll need some extra hands to make the day awesome! If you'd be willing to serve as an additional host or jump into one of our theaters to help, **we'd love to have you join the fun!**

Support Bible Education: Crosspoint Learning Lab and LifeWise Academy

Just recently launched... **Crosspoint Learning Lab** is aimed to serve local elementary students Wednesdays from **3:00–5:00 P.M.** with homework help, encouragement, and opportunities to grow in faith.

Want to serve? Help with homework, encourage kids, or simply be a positive presence! Contact **Angie** at awilliams@crosspoint.church or **850-679-4411** to get involved.

LifeWise Academy is helping bring Bible education back to public school students during the school day through a Supreme Court-supported model that takes place off campus and does not interfere with academic instruction.

Now, Niceville needs a Program Director! Do you know someone who might be willing to help lead this potentially community-changing opportunity?

New Resources to Help Your Family Follow Jesus Together

Our **Parent Resource Cart** in the Kids Lobby is filled with helpful tools, including Family Discipleship Roadmap resources and books we think are worth having in your home.

We will feature **three books recommended by our Niceville Kids team**. Stop by the cart to learn why we chose them, find links to purchase your own copy, and **enter to win one!**

We'll draw three winners each month, so make sure your family gets an entry in!

Come on a Voluntour – We'd love to show you around!

Join us for a **Parentour or Voluntour** to see what kids experience each week, meet the team, learn about serving, and ask questions.

Tours are offered the **1st and 3rd Sundays each month** during service. [Register Here](#) for the date and service that works for you or use the QR code on the Parentour Graphic.
